

ANDROMEDA

Compozitie in culorile alb si ecru cu por deschis.
Un ambient cu un aer contemporan, dar cu accente traditionale; elementele clasice se imbina si coexista in mod armonios cu cele de inspiratie moderna.

ANDROMEDA

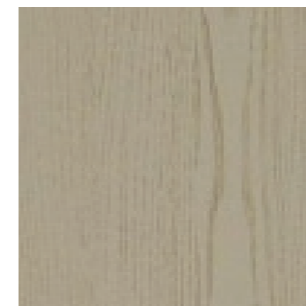

Frontul din frasin cu por deschis emana toata caldura si textura naturala a lemnului.

Multiplele posibilitati de colorare si finisare permit crearea unor spatii cu atmosfere variate, in functie de personalitatea celor care le locuiesc.
